

CASH PRESERVATION – NON-TEACHING

You would be entitled to cash preservation if you were in a redeployment situation within North Lanarkshire Council and to avoid redundancy the post that you are successfully redeployed into is of a lesser grade.

If this is the case you would be entitled to have your salary preserved for 18 months. During the period of cash preservation you would continue to receive your previous salary but will not receive any increase resulting from pay awards unless the normal salary for your post exceeds the preserved salary.

You can contact your HR Operations teams:
