### 4. Reviewing Authorised Claims

Once a claim has been authorised, it will no longer be visible within the above "In Progress" "Time and Expenses" screen.

To view previously authorised claims, click the *"Authorised"* Tab at the top of the screen, as indicated below, some claims may have been Authorised but not paid, this is due to the payrun deadlines, and the claim will be paid in the next available pay. (Please check the payrun deadlines which can be found by searching Pay Deadlines on MYNL Portal or by clicking here - Pay Deadlines.

This is a best practice procedure to prevent submitting another claim creating a duplicate claim, we run regular Audit checks to identify duplicate claims, if you have submitted duplicate claims then the overpayment will be recovered off your next available pay.
