We hope that you find this process useful.

If you need further support -

**For employees who are live on myNL Portal** - Please raise a People Helpdesk General Enquiry request form.

- FAQs can be found in this document (Page 8). Please refer to them. Further support is also available, please get in touch if required.
- Reason for the claim it is important to know the reason for your claim, please link in with your authorising manager within the establishment before processing any claims. Your claim could be rejected if this reasoning is incorrect.

# 11. I have gained a permanent teaching position and have been provided with a new employee number. Can I still process my payments due for my temporary post?

You will use your previous temporary teacher employee number to log in and process payments via mySelf up to your start date within your permanent teaching position.

Your temporary teaching employee number will only be available for 3 months after the end date therefore, it is important you process your remaining payments up to your transfer date as soon as possible.
